Dear Buchanan Elementary School Students and Parents,

Welcome back! We are so excited to begin a new school year. We look forward to opening our doors and are ready to take care of our students and serve our families.

Our goal at Buchanan Elementary School is to maintain a challenging and nurturing learning environment. Our motto is Believe~Excel~Succeed. The faculty and staff of Buchanan Elementary School are committed to empowering all students to reach their personal best. Everyone ~ administrators, faculty, parents, staff, and students ~ work together to create a solid foundation for success in all areas of life.

With this in mind, it is important that all students and parents thoroughly read the parent/student handbook. It is a guide to all the policies and procedures that govern our school. When there is no confusion about procedures or expectations of student behavior, school days run smoother. While the handbook is not all-inclusive, it describes Buchanan Elementary School policies and procedures as well as Haralson County School Board Policy. More detailed information regarding school board policies may be found on the school system's website, <http://www.haralson.k12.ga.us>.

Once you have read and reviewed the handbook with your child, please complete and sign the acknowledgement page found at the end of the handbook. Return the completed and signed acknowledgement page to your child's homeroom teacher. Thank you in advance for your support.

Through our on-going partnership this school year at Buchanan Elementary will be the best yet! A Buchanan Elementary School Rebel is someone who models the Rebel Way by being **R**espectful, **R**esponsible, and **R**eliable on a daily basis in all settings. We look forward to working together to continue to build Rebel Pride.

Sincerely,
Ethelyn W. Johnson

In case of an injury or illness, students should notify the nearest adult who would then take appropriate steps. Accident reports are available in the school office and must be completed in all cases of injury.

Fire, Severe Weather, Evacuation and Intruder drills are conducted often and as required by the local and state boards of education.

School closings will also be announced using the mass call system and posted on the BES Facebook page. On various occasions, emergency information may be communicated to parents/guardians and employees using the Crisis Communication System (CCS), known as Rebel Alert. The CCS delivers a pre-recorded message to students and parents via phone using numbers listed in our student information software. FERPA - Notice to Parents/Guardians and Eligible Students of Rights Under The Family Educational Rights and Privacy Act

Under the Family Educational Rights and Privacy Act (20 U.S.C. 1232G) (the “Act”), you have the right to:

1. Inspect and review, within 45 days of a request, the education records of a student who is your child, or in the case of a student who is eighteen (18) years of age or older, or those who are emancipated, your own education records. Parents or eligible students should submit to the [appropriate school official] a written request identifying the record(s) they wish to inspect. The [appropriate school official] will make arrangements for access and provide notice of such arrangements.
2. Request the amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights. To request the school district to amend a record, parents or eligible students should write the school principal, specify the part of the record they want changed, and specify why it is inaccurate, misleading, or otherwise in violation of the student's privacy or other rights. If the district decides not to amend the record, it will notify the parents or eligible students of the decision and inform them of their right to a hearing. Additional information regarding the hearing procedures will be provided with the notification of the right to a hearing.
3. Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that the Act and the regulations promulgated pursuant to the Act authorize disclosure without consent. One exception which permits disclosure without consent is to school officials with legitimate educational interest. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member; a member of the school board; a person with whom the district has contracted to perform a specific task, or a parent or student serving on an official committee. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his/her professional responsibility.
4. File with the United States Department of Education a complaint under 20 C.F.R. 99.64 concerning the alleged failures by the Haralson County Board of Education to comply with the requirements of the act or the regulations promulgated thereunder. The name and address of the office, U.S. Department of Education, 400 Maryland Ave., S.W. Gifted Education (Board Policy IDDD) - [Policy](#)

Students in grades kindergarten through twelve in Haralson County School System (HCSS) who demonstrate a high degree of intellectual, academic, and/or creative ability shall be provided special services by the program for gifted students. Students may be referred for gifted screening by teachers, counselors, administrators, parents, guardians, self or other individuals with knowledge of the student's abilities. Additionally, automatic referrals are made when norm-referenced test scores (ex. ITBS) are made available.

Students who are accepted for further evaluation will complete assessments in four areas: achievement, ability, motivation and creativity. No assessment will be given without parent/guardian permission. Data gathered from a source other than Haralson County School System will not be used in the assessment process.

To be eligible for gifted services, a student must score at the 96th percentile (for grades 3-12) on the composite score on a standardized test of mental ability and score at or above the 90th percentile on the total battery, total math, or total reading of a standardized achievement test or qualify through a multiple-criteria assessment process by meeting the criteria in any three of the following four areas: mental ability, achievement, creativity, and motivation. Any student who meets the state eligibility criteria for gifted education services in another Georgia school system shall be considered eligible in Haralson County and will, therefore, receive gifted services.

Good Touch/Bad Touch, Harassment, Sex Education, and AIDS Prevention

Georgia law requires that instruction in Good-Touch Programs, Sex Education, and AIDS Prevention be taught at all grade levels, kindergarten through twelfth grade. We recognize that even though sex education and AIDS prevention are a part of the comprehensive health curriculum, there are still sensitive issues in which you could

have concern. This also includes the Good-Touch Program. A very dedicated committee with members of the community has worked closely with teachers in reviewing all instructional materials to be used. All of the materials to be used to teach these objectives are available to you. If you would like to preview any of the materials, please call the school and schedule a time for your visit. Letters will be sent home with each student when these programs are taught at school. A letter must be presented to the school stating that you do not wish for your child to participate in the program. Please indicate on the sheet that you will turn in to your child's teacher at the end of this handbook if you do not want your child to participate in the Good-Touch Program. No response will be considered an automatic approval.

[See Haralson County Board Policy for Harassment.](#)

Homework

The amount and frequency of homework assigned varies among grade levels and subjects taught. If parents have questions at any time, they should contact the teacher by calling the school office for an appointment or by sending a note with their child.

Hospital/Homebound Services

Haralson County Schools, under State Board Rule 160-4-2-.31, is authorized to provide instructional services to eligible students who have a medically diagnosed physical or mental condition that confines the student to home or hospital and whose activities are restricted for an extended period of time. To be eligible for services, students must meet the following criteria:

2. The student is under medical care for the illness, which may be acute or chronic in nature.
3. The physician must certify that the student can receive instruction without endangering the health of the instructor or other students with whom the instructor may come in contact.
4. The student is enrolled in Haralson County school prior to the referral of Hospital/Homebound services or has met the criteria for eligibility for an exceptional education program.
5. The parent or guardian must sign the parental agreement section regarding the Hospital/Homebound guidelines.

We are committed to continually seeking to improve instruction for our students. We hope that as a parent/guardian, you will become involved in our school improvement initiatives as we continue to monitor student achievement and set high expectations.

Immunizations

Georgia Law requires all students enrolled in a Georgia school to have a Certificate of Adequate Immunization to be admitted to school. This form may be secured from the Haralson County Health Department or from the child's personal physician. A new student may be temporarily enrolled for thirty (30) days without this certificate. Certificate and evidence of an eye, ear, and dental examination is also required.

Infinite Campus - Parent Portal

Infinite Campus is a district-wide student information system designed to manage attendance, grades and household information. Parents can utilize one login to stay up to date on grades, assignments, attendance, announcements and more. Please see the appendix for directions on how to step up.

Interruptions During the School Day

The focus at Buchanan Elementary School is teaching and learning. Instruction cannot be interrupted unless there is an **emergency**. Complete cooperation from all parents and students is encouraged!

Messages: Classes will not be interrupted for non-emergency messages to be delivered. Parents and students are asked to make afternoon transportation arrangements **BEFORE** students leave

for school in the morning. If there is an emergency that requires you to change transportation arrangements you must **email amanda.craft@haralson.k12.ga.us and the bookkeeper, fax 770-646-8893 or come** to the school in person prior to 11:00am. If the transportation change is different from transportation listed in Infinite Campus parents/guardians must come to the school and **make the change in person** prior to 12:00pm. **For the safety of the student, you cannot call with a change of transportation.**

Phone calls: Students will not leave classes to make or accept phone calls of a non-emergency nature. If a caller considers the situation to be an emergency, an administrator will take the call and make the determination. Students will, of course, be permitted to call home if they are too ill to remain at school.

Forgotten items: Students are expected to bring snack money, gym clothes, band instruments, projects, homework, books, etc. to school in the mornings. Office personnel cannot leave the office unattended to deliver items to students during the school day.

Deliveries: No balloons, flowers, gifts, etc. for students will be accepted at school, and such items should be sent to the student's home.

2. Any item which could damage school facilities
3. Electronic devices such as radios, tape/CD/mp3 players, Walkmans, Gamboys, etc.
4. Chewing gum, bubble gum, or candy
5. Toys or any non-educational items (baseball cards, yo-yos, playing cards, etc.)
6. Money in large amounts or other valuables
7. Any disruptive items or items designated by the administration
8. Permanent markers, liquid paper/white out, staplers, scissors, etc.
9. Backpacks with wheels/rollers

This specification is for the safety of students and others, the protection of property, and the promotion of an atmosphere conducive to education. Teachers are asked to take these items from the student and send the items to the school office. Parents may reclaim such items in the school office during regular school hours. Any item not claimed by the end of the school year will be disposed of. Students who bring such items to school may be subject to discipline.

NOTE: *Please label personal items students bring to school such as book bags, jackets, etc. Although students have to be responsible for their own personal property, punishment will be administered to students who steal, damage, or destroy the property of others.*

Material Harmful to Minors Complaint Resolution Process (IKBC)

The Board of Education hereby adopts this policy to address complaints submitted by parents or permanent guardians alleging that material that is harmful to minors has been provided or is currently available to his or her child who is enrolled in this school system.

Complaints must be submitted in writing by the parent or permanent guardian to the principal of the school in which the child is enrolled.

Medication

- Medication must be brought in by the parent/guardian in an unopened container with dosing instructions.
- Parents are required to complete medication paperwork.
- Prescribed medication must have physician authorization.

Multi-Tiered Support System (MTSS)

MTSS is a large framework system composed of 5 essential components. It is designed to support academics, attendance, behavior, and PBIS. The student's instructional team routinely meets to collaborate and discuss the effectiveness of each intervention in helping him/her become more successful. MTSS provides high-quality instruction and interventions matched to each individual student's needs. It involves progress monitoring students frequently to make decisions about change in instruction or goals.

Non-Resident Students

Students must live in the Haralson County School District with their parents or legal guardians or be otherwise eligible for enrollment under Georgia law to be enrolled in the Haralson County School System. Any non-resident student who is registered in Haralson County School System under falsified information shall be immediately withdrawn from the school system.

Observances During Morning Homeroom

In compliance with Georgia law, BES will conduct a brief period of quiet reflection and will afford each student the opportunity to recite the Pledge of Allegiance. The period of quiet reflection will not last for more than 60 seconds. This moment of quiet reflection is not intended to be a religious service or exercise but is an opportunity for a moment of silent reflection.

Parents' Bill of Rights (JRB)

The Board of Education promotes parental involvement in school district schools. This district shall ensure that parents are allowed to: review records relating to his or her minor child, learn about his or her minor child's courses of study, object to instructional material intended for use in his or her minor child's classroom, withdraw his or her minor child from the school's prescribed course of study for sex education and provide written notice that photographs or video or voice recording of his or her minor child are not permitted.

Parent Engagement/Involvement

Parental involvement is strongly encouraged at BES. There are many opportunities for parents to become an active part of their child's education program including The BES School Governance Team (GO Team), family night activities, and parent teacher conference days.

We also have a parent volunteer program for parents to help with various activities such as field day, orientation, making copies and to help teachers, etc. Please call the school if you would like to become a parent volunteer. A copy of our BES Parental Involvement Plan is available upon request and at our Parent Resource Center (located in the front atrium during normal school hours or on our website).

This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communication through personal contact is extremely valuable. Therefore, each school's administrative staff will provide information to parents and guardians about on-going opportunities to communicate with school personnel.

Parents, guardians and students are invited to participate in the Code of Conduct revision process by making suggestions for improving the Code through the School Governance Team (SGT). Questions about the Code should be addressed with the principal or an assistant principal.

The Code of Conduct specifies within its standards of behavior various violations that may result in a school staff member's request for a parent or guardian to come to the school for a conference. Parents and guardians

are encouraged to visit the schools regularly and are expected to be actively involved in the behavior support processes that are designed to promote positive choices and behavior.

Georgia law mandates that any time a teacher or principal identifies a student as a chronic disciplinary problem student, the principal or designee shall notify by telephone call and by mail to the student's parent or guardian of the disciplinary problem; invite the parent or guardian to observe the student in a classroom situation; and request at least one parent or guardian to attend a conference to devise a disciplinary and behavioral correction plan. Georgia law also states that before any chronic disciplinary problem student is permitted to return to school following a suspension or expulsion, the school shall request by telephone call and by mail at least one parent or guardian to schedule and attend a conference for the purpose of devising a disciplinary and behavioral correction plan.

The law authorizes the board of education to petition the juvenile court to require a parent or guardian to attend a school conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend a conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference; order the parent or guardian to participate in such programs or such treatment as the court deems appropriate to improve the student's behavior; or both. After notice and opportunity for hearing, the court may impose a fine not to exceed \$500.00 on a parent or guardian who willfully disobeys an order of the court under this law.

Safe and Drug Free Schools Needs Assessment Parental Notification

In order to provide the best drug and violence prevention activities for your child, and in accordance with the guidelines for the Elementary and Secondary Act (ESEA), your child may be asked to complete surveys that pertain to student involvement in and attitudes toward substance abuse and violent situations (i.e. PRIDE, YRBS, etc. or locally developed surveys). These surveys are completely anonymous and may be administered throughout the school year. The data collected will be used to identify critical areas of need and help us to do the following:

- maintain a school environment that is free of drugs and violence;
- promote a class atmosphere that allows teachers to teach and students to learn;
- develop and offer experiences that involve students in applying the concepts of making healthy decisions, accepting responsibility for their behavior, and understanding consequences.

If you do not wish for your child to participate or if you have questions, please contact the school.

Ref. O.C.G.A. 20-2-751.6

A student found by a tribunal to have committed an intentional act of physical violence against a teacher, school bus driver, school official, or school employee that results in physical harm to that person shall be referred to juvenile court with a request for a petition alleging delinquent behavior, and also shall be expelled from the public school system by the tribunal for the remainder of the student's eligibility to attend public school, subject to appeal to the board of education. The school board at its discretion: (1) may permit the student to attend an alternative education program for some or all of the period of expulsion; and, if recommended by a tribunal, (2) may permit a student in a grade K-8 to re-enroll in the regular public school program for grades 9-12; and/or (3) may also permit a student in grades K-6 to re-enroll in the public school system. Ref. O.C.G.A. 20-2-751.6; 16-3-21

In addition, a disciplinary tribunal hearing will be held following any substantial damage intentionally caused by a student on school premises to the personal property of a teacher or any other school system employee or to the property of another student at the discretion of the Principal.

Disciplinary Tribunal Hearings

Disciplinary tribunal hearings are held following any instance of an alleged violation of the Student Code of Conduct if the Principal recommends a suspension or expulsion of a student longer than ten days or following an alleged assault or battery upon any school system employee. The purpose of the hearing is to hear the charges and the evidence; to determine if the Code of Conduct was violated; and if so, to determine appropriate disciplinary action. The student and parents/guardians have a right to this due process hearing

before a long-term suspension (more than ten days) or expulsion can be administered. The maximum penalty that can be imposed by a tribunal is permanent expulsion.

In the event that a student chooses to admit guilt or chooses not to contest the charges before a tribunal; and if the school and a parent/guardian agree as to appropriate disciplinary action; and if the parent/guardian chooses to waive the opportunity to participate in a tribunal hearing, present evidence, subpoena and cross-examine witnesses and be represented by an attorney at such hearing; a Tribunal Waiver Agreement may be written, co-signed and dated. If the tribunal chooses to adopt the agreement as to its decision, the decision will be final and cannot be appealed by the school or the family. If the agreement is not adopted as the decision of the tribunal, the document becomes null and void, all parent/guardian rights will be restored and a new hearing date and time will be established.

Rebel Academy - Alternative Education Program

HCSD provides a structured alternative learning environment for students in grades 6-12 who have been placed on long term suspension and/or expulsion. The Rebel Academy is an alternative education program designed to focus on the remediation of issues, which frequently interfere with the learning process in order to prepare students for a successful return to school and ultimately to graduate. Students enrolled in the alternative education program will receive academic instruction in the core subjects. The student and parent/guardian must attend an orientation prior to attending the alternative education program and students will sign a contract agreeing to comply with the rules and regulations. The alternative education program holds rigorous expectations of all students according to a strict code of behavior. Random searches may also be conducted. Transportation is not provided for students attending the alternative program unless otherwise required by specific federal programs. Students enrolled in Rebel Academy at the time of graduation will not be allowed to participate in the graduation ceremony conducted at Haralson County High School.

School Bus Information

Message to Parents and Students:

The bus riding privilege is granted to your child as a service of HCSD. In an effort to maintain a safe environment, students are expected to comply with the code of conduct and the HCSD Bus Code of Conduct while walking to or from the bus stop, waiting at the school bus stop and riding on the school bus. Students are expected to be safe, orderly, and respectful at all times. Failure to act accordingly may result in suspension or expulsion from the bus. Concerns or issues pertaining to HCSD's transportation, including how student behavior is managed on the school bus, is addressed according to the operational procedures found on the HCSD website.

Driver Authority: The bus driver is authorized to give directions, assign seats, and prohibit any item from the bus that may threaten the safety or welfare of any person. The driver's actions are subject to review by the transportation director.

Bus Code of Conduct:

- Be respectful to the driver and all passengers.
- Audible electronic music playing devices such as radios, iPods, tape players, etc. may not be used without the permission of the driver and must be used without headphones.
- Electronic communication devices, including cell phones, pocket pagers, etc., may be transported on a school bus if not prohibited by the school, but they must be kept in the OFF mode and concealed in a book bag, purse or similar carrying device.
- On school buses, Georgia law specifically prohibits acts of physical violence, physical assault or battery, bullying, verbal assault, disrespectful conduct toward the bus driver or any other person, the use of mirrors, lasers, flash cameras, or any other lights or reflective devices in a manner that may interfere with the driver's operation of the bus, and engaging in any other unruly behavior.

Exception: Some items prohibited in another section of the code of conduct may be permitted on a bus during field trips, athletic trips, etc., if approved in advance by the principal and the teacher/coach in charge (Example:

baseball bats may be transported to a baseball game, radio with headphones may be used with permission on a field trip, etc.). Ref. O.C.G.A. §16-11-127.1

Some Critical School Bus Operational and Safety Procedures:

1. Transportation service is provided to/from an assigned bus stop ONLY. After school, students who board a bus other than their assigned bus or request to get off the bus at a different stop will be returned to the school where a parent or guardian may pick them up.
2. Arrive at the bus stop five minutes early. Wait in an orderly manner. Stay off the road and away from traffic. Do not approach a moving bus
3. Before crossing a road, follow the directions of the school bus driver. Students must understand and follow the “two-finger sweep” crossing procedure. Cross the road ten feet in front of the bus. Do not cross behind the bus. Use the handrail going up or down the steps.
4. If you drop something while crossing, signal the driver with a waving motion of your hand. Wait for the driver to signal back before picking it up.
5. Sit with your back against the back of the seat and bottom against the bottom of the seat. Stay seated while the bus is in motion. Keep head, hands, and feet inside the bus. The open door is your signal to get up from your seat.
6. Talking in a quiet voice is permitted. Be silent at railroad crossings. Do not distract the driver.

Detailed information regarding these and other operational procedures is available at the HCSS website.

Dear Parent/Guardian:

Due to the potential hazards encountered while transporting students, we strive to provide an atmosphere of appropriate behavior conducive to passenger safety. No student shall interfere with the safe operation of the school bus. Maintaining order on the bus is the joint responsibility of students, parents, bus drivers, and school officials. Riding the bus is a privilege, which may be revoked for improper conduct. It is my duty as a school official to report your child's unsafe behavior and request that corrective action be taken. Please review the school bus rules listed on the back. If any bus rules are ignored, there is a 5 Step Behavior Correction procedure that will be followed and documented for minor violations. Major violations will go directly to the school for consequences.

The 5 Step Behavior Correction Program goes as follows:

- 1st Offense – Driver will speak to the student privately
- 2nd Offense – The student's seat will be reassigned
- 3rd Offense – A letter will be sent home to the parent/guardian
- 4th Offense – Parent/Guardian will be called
- 5th Offense – 5 Step Behavior Correction form submitted to the school's administrator for 1 week bus suspension

If unsafe behavior continues once the student has returned to the bus, the 5 Steps will be followed for a 2nd time with a 2 week suspension. If unsafe behavior continues, the 5 Steps will be followed for a 3rd time and the student will lose their bus privileges for the remainder of the school year.

We ask that you and your child review the bus rules and the 5 Step Behavior Correction procedures. We appreciate your cooperation and thank you for supporting our drivers. If you have any questions please call the transportation department at 770-646-5532.

Respectfully,

John Daniel
Transportation Director

From the Office of the School Nurse 2022-2023

770-646-5140

Dear Parent(s)/Guardian(s):

All medications should be given at home before or after school hours if at all possible. If medications must be given during the school day, the parent/guardian should bring medicine and related equipment to the school clinic and a Medication Authorization Form must be completed and filed in the school clinic. All prescription medications will be recorded on a Medication Administration Record (MAR) with the time given and the nurse's initials recorded daily. Medicine cannot be given without written permission and instructions from the parent/guardian. Under no circumstances should medication be sent to school by way of the student.

Medications, both prescription and over-the-counter, must be in the original labeled container. Under no circumstances should a student bring a "controlled" medication to school. The parent should bring prescription medications to the school clinic where the nurse will count and record the medication on the back of the MAR. When a student needs more medication sent to the school, the nurse will send home a Parental Notice of Medication Refill form. IF medication is brought to school by a student, it should be taken to the school clinic upon arriving at school. All prescription and over-the-counter medicine must be kept in the school clinic unless approved by the principal.

Any student needing to carry an Epi-pen, inhaler, insulin or other type of medication on their person may do so only after completion of an authorization form by their physician. These forms are available in the school clinic. It is preferable that these types of medication be kept in the classroom at the primary and elementary school levels. Middle and high school students may carry them in their purse or backpack for use as needed.

The following medications may be available in the school clinic and may be given only with parental consent: Tylenol (Acetaminophen), Advil (Ibuprofen), Pepto-Bismol, Benadryl, Claritin, Tums or other antacids, anti-nausea liquid, cold and sinus medications and anti-diarrhea medications. Your child will bring home a Medical/Health Information Form the first day of school, and it should be completed and returned to school ASAP.

All clinic visits will be recorded in the medical log entries in Infinite Campus. Students will be given a copy of his/her "Medical Log Entry" if he/she receives OTC medication during the school day or for any other reason that the nurse deems appropriate. If you have any questions, please do not hesitate to call.

**Haralson County Schools are an equal opportunity provider and employer.*

The West Georgia Regional Library System is partnering with Haralson County Schools to introduce the PLAY Card to our students. The PLAY (PINES Library Access for Youth) Card is a digital library card that offers Haralson County Schools’ students free access to public library materials and online resources to support their educational success. PINES (Public Information Network for Electronic Services) is the statewide network of public library systems serving 300 public libraries across the state of Georgia.

How Does It Work?

Students will use their student ID number to access their PLAY Card account just like they would use a library card. The PLAY Card is free and access to public library resources and services are free. There are no overdue fines for materials checked out through a student’s PLAY Card. Fees apply only for lost or damaged materials. If your student already has a library card, the student may use both the PLAY account and their original library card. The PLAY account will be an entirely separate account.

What Are the Benefits?

Students with a digital PLAY Card can check out up to 5 physical items at a time, including books, DVDs, CDs, free passes to state parks, and more. The PLAY Card will also give your student free access to digital resources such as e-books through Cloud Library and eRead Kids, language learning through Mango Languages, practice tests for SAT, ACT, nursing entrance exams, and more.

What If I Don’t Want to Participate?

If you would prefer your student not to have a PLAY Card, you may opt out of this program by signing below and returning to your student’s school. You can opt out at any time by notifying your student’s school.

Please return to your student’s school by August 12, 2022

Buchanan Elementary School 2022-2023 Student Technology Required Use Agreement

PURPOSE: The Haralson County School District provides students access to a laptop computer (Chromebook) at designated grade levels, as a means to promote achievement and provide diverse opportunities during the educational experience. This policy provides guidelines and information about the limitations that the school imposes on use of these resources. In addition to this policy, the use of any school computer, including laptop computers, also requires students to abide by the Haralson County Technology Use Guidelines. Additional rules may be added as necessary and will become a part of this policy.

TERMS OF THE REQUIRED USE AND INTERNET SAFETY AGREEMENT

Specifically, the student will:

- Adhere to these guidelines each time the Internet is used at school.
- Make available for inspection by an administrator or teacher upon request any messages or files sent or received at any Internet location. Files stored and information accessed, downloaded or transferred on district-owned technology are not private.
- Use appropriate language in all communications avoiding profanity, obscenity, and offensive or inflammatory speech. Cyber Bullying such as personal attacks and/or threats on/against anyone made while using district owned technology are to be reported to responsible school personnel. Rules of etiquette should be followed by conducting oneself in a responsible, ethical, and polite manner.
- Follow copyright laws and should only download/import music or other files to a district owned device that he/she is authorized or legally permitted to reproduce, or for which he/she has the copyright.
- Never reveal identifying information such as student ID #s, SS#s, telephone #s, and addresses in files or communications to others through email or post to the Internet.
- Not attempt access to networks and other technologies beyond the point of authorized access. This includes attempts to use another person's account and/or password.
- Not share passwords or attempt to discover passwords. Sharing a password could make you liable if problems arise with its use and subject to disciplinary action.
- Not download and/or install any programs, files, or games from the Internet or other sources onto any district owned technology. This includes Mac OS apps and iOS apps. This also includes the intentional introduction of computer viruses and other malicious software.
- Not tamper with computer hardware or software, unauthorized entry into computers, and vandalism or destruction of the computer or computer files. Damage to computers may result in felony criminal charges.
- Not attempt to override, bypass, or otherwise change the Internet filtering software or other network configurations. This includes the introduction of proxies via a USB device, web download, or any other means of installation.
- Use technology for school-related purposes only while refraining from use related to commercial, political, or other private purposes.
- Not make use of materials or attempt to locate materials that are unacceptable in a school setting. This includes, but is not limited to pornographic, obscene, graphically violent, or vulgar images, sounds, music, language, video, or other materials.
- Not connect any personal technologies such as laptops and workstations, wireless access points and routers, printers, etc. to district owned and maintained area networks without proper authorization.
- Back up data and other important files regularly. The HCSD will at times maintain Chromebooks by imaging. All files not backed up will be deleted during these processes. Students are ultimately responsible for backing up all personal files on their own storage media.
- Keep chromebook secure and damage free. Follow these general guidelines:
 1. **Do not loan your chromebook or charger.**

2. Do not leave your chromebook unattended.
3. Do not eat or drink while using the chromebook or have food or drinks in close proximity to the chromebook.
4. Do not place the chromebook on the floor or in a sitting area such as couches or chairs.
5. Do not leave the chromebook near the table or desk edges.
6. Do not stack objects on top of your chromebook.
7. Do not place it in a backpack. Chromebooks need to be visible to instructional staff.

In the event that this district-issued device is lost, stolen, or damaged, YOU are responsible for any and all repair or replacement costs. The current cost to replace a Chromebook screen is \$65.00. The current cost to replace a keyboard is \$80.00. The current price to replace the entire Chromebook is \$240.00. These prices are subject to change. There will be a \$25.00 cleaning fee for vandalism. This device must be returned at the end of the school year or upon withdrawal from the HCSD. Devices that have not been returned within 10 days of the withdrawal date or the end of the school year will be reported stolen and the responsible parties prosecuted.

Chromebooks that are lost/stolen have been set as part of the HCSD network and will be unusable by anyone outside the network. Even if the device is reset, it will show a message that states that it belongs to the HCSD and to contact Technology Services at our phone number if found.

STUDENT By signing this, I agree to abide by the conditions listed above and assume responsibility for the care and proper use of HCSD technology, including backing up personal data. The HCSD is not responsible for any loss resulting from delays, non-deliveries, missed deliveries, lost data, or service interruptions caused by user errors, omissions, or reasons beyond the district's control.
