Plan Revised May 10, 2022

What is Title I?

Buchanan Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family

engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Buchanan Elementary will provide opportunities to improve family engagement to support student learning. Buchanan Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Buchanan Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Buchanan Elementary School invited all parents to attend our School Governance Meeting last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Buchanan Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children. The Haralson County School District will ensure collaboration and communication regarding all parent engagement meetings and activities with directors and employees at facilities of neglected children where residents attend Haralson County Schools.

Where is it available?

At the beginning of the year, the plan is given to all students. As a reminder, we will have the plan available to all parents during parent teacher conference dates. The plan will also be posted on the school website and social media. Parents can also retrieve a copy of the plan in the Parent Resource Center.

The mission of BES is to prepare and inspire each student to be a lifelong learner and a responsible, productive citizen.

HC District Mission

Haralson County Schools will produce high-achieving students who will graduate and become productive and responsible citizens.

2022–23 School Goals

Increase student performance in content mastery in reading and math according to EOG (End of Grade) Milestones and Renaissance Star reading and math.

*The focus for reading is:
Novel studies, paired text, grammar,
writing and Corrective Reading /
Reading Mastery.*

School-Parent Compacts

As part of this plan, BES and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how students, parents and teachers will work together to make sure all students are empowered to reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during School Governance Teams and

Parent Nights. The school-parent compacts are shared with parents during parent-teacher conferences and kept with each child's teacher if parents need another copy.

- That parents play an integral role in assisting their child's learning.

- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

- ✓ Share information in English and Spanish on the school blog and in the school newsletter for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding school wide events and activities, through phone messages, social media, and flyers.
- ✓ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ✓ Use our Partners in Education and School-Community Team to improve awareness of the activities and events listed in the school parent and family engagement policy.
