A student shall be counted absent for the week when the HHB teacher's visit is cancelled by the parent/guardian. Only one attempt will be made to reschedule a cancelled/missed session.
- Sessions shall be arranged by the HHB teacher in cooperation with the parent/guardian.
- The parent, guardian, or approved adult parent designee must be present during the entire session. If an adult is not present or leaves at any time during the scheduled session, the session will be considered cancelled without notice and shall not be rescheduled.
- HHB service can be offered face to face or through online learning courses, such as the Georgia Virtual School or other approved online courses identified by the ESP. - If instruction is provided in the student's home, it is the responsibility of the parent/guardian to provide a safe and secure work space that is well ventilated, smoke-free, clean, and quiet (e.g., free of radio, TV, pets, and visitors). Study time between visits is expected and the student should be prepared for each session.
- If the parent is unable to provide a safe and secure work environment that is conducive to study, the LEA may designate a secondary location for HHB services.
- All applicable state mandated tests shall be administered to HHB students.
