May 2023

It's almost time to say "Good-Bye."  
Our year has almost come to an end.  
We've made some cherished memories  
With all our BES friends.

We've watched each other learn&grow  
And change from day to day.  
We hope that all the things we've done  
Will help us along the way.

So it's with happy memories  
We all go out the door,  
With great hope and expectations  
For what next year holds in store.

Parents,

It is amazing how quickly this school year has gone! As we come to the end of another school year it is important to reflect upon the services provided to your children by our staff. The week of May 4th is National Teacher Appreciation Week. The reason why our school is such a great place is because of our staff. Our staff works tirelessly to bring their best each day for your child. Many of our children begin their day with members of our transportation department as they journey to school on a bus. We expect a safe delivery of our children and that goal is met daily by our transportation staff. Once the children arrive at school, many enjoy a nutritious breakfast, and later in the day a lunch provided by our food service department that knows your child on a first name basis and knows their likes and dislikes. Our paraprofessionals work with individual and groups of students to meet their needs and provide supervision in the lunchroom, playground, and in the classroom. One of the busiest places in our school that serves the student population of 350 plus children is our nurse's office, staffed by our nurse, who not only helps with bumps and scrapes, but also provides daily medication to students as well. Our custodians/maintenance staff provide our children with a safe, clean, and inviting building to enter daily. Our secretaries coordinate all of the demands of the office and support everyone in the building. Last, but certainly not least, is our teaching staff. Our teachers, counselor, and pupil service staff work tirelessly all hours of the day and all days of the week to ensure that your child is getting the best possible education and intervention possible.

Please take some time over this month to reach out and thank our staff members for doing so much for our most precious resources. We appreciate all of your help and support. Thank you for all that you do for your child, and we are happy to work in partnership!

With Regards,

Mrs. Kathy Campbell  
Assistant Principal

\*\*\*\* Parents, please do not forget to use the parent portal in Infinite Campus to check your child's: attendance, grades, view and print report cards. This is a great tool to keep informed and updated on your child's attendance and academic progress.
