In order to succeed, students must develop English language proficiency in listening, speaking, reading, and writing across all areas of the curriculum. Services may be provided through the following state-approved delivery models: pull-out, collaborative teaching, push-in, sheltered courses, and/or a cluster center program. ## **PBIS**

Tallapoosa Primary is a PBIS (Positive Behavioral Interventions and Supports) Operational School. PBIS is an approach that TPS uses to improve school safety and promote positive behavior. It is also a way to decide how to respond to a child who misbehaves.

PBIS has a few important principles:

- Every child can learn proper behavior.
- Stepping in early can prevent more serious behavior problems.
- Each child is different and we work to provide many kinds of behavior support.
- We teach about behaviors based on research and science.
- We follow a child's behavioral progress because it is important.
- We gather and use data to make decisions about behavior problems.

## **POSTING OF FLYERS, ANNOUNCEMENTS, NOTICE**

This Calendar can be located on the back cover of this handbook. Final report cards are sent home with the student on the last day of school.

## **RESPONSE TO INTERVENTION (RTI)**

RTI is a Pyramid of Interventions that has tiers. It is designed to support students who are struggling academically with early assistance before their academic difficulties become overwhelming. The students' instructional team routinely meets to collaborate and discuss the effectiveness of each intervention in helping students become more successful. RTI provides high-quality instruction and interventions matched to each individual student's need. It involves progress monitoring students frequently to make decisions about change in instruction or goals.

## **SAFE AND DRUG FREE SCHOOLS NEEDS ASSESSMENT PARENTAL NOTIFICATION**

In order to provide the best drug and violence prevention activities for your child and in accordance with the guidelines for the Elementary and Secondary Act (ESEA), your child may be asked to complete surveys that pertain to student involvement in and attitudes toward substance abuse and violent situations (i.e. PRIDE, YRBS, etc. or locally developed surveys). These

surveys are completely anonymous and may be administered throughout the school year. The data collected will be used to identify critical areas of need and help us:

- maintain a school environment that is free of drugs and violence;
- promote a class atmosphere that allows teachers to teach and students to learn;
- develop and offer experiences that involve students in applying the concepts of making healthy decisions, accepting responsibility for their behavior, and understanding consequences.

### **SELLING OF ITEMS**

No one is permitted to sell anything on campus without prior permission from an Administrator and if applicable, Board of Education.

Parents have the right to call an IEP meeting at any point during the school year and may disagree or appeal the decisions of the IEP committee through special hearings or court proceedings.

**From the Office of the HCSD Lead School Nurse**  
**Tara Robinson, #770-574-7060**

Dear Parent(s)/Guardian(s):

All medications should be given at home before or after school hours if at all possible. If medications must be given during the school day, the parent/guardian should bring medicine and related equipment to the school clinic and a Medication Authorization Form must be completed and filed in the school clinic. All prescription medications will be recorded on a Medication Administration Record (MAR) with the time given and the nurse's initials recorded daily. Medicine cannot be given without written permission and instructions from the parent/guardian. Under no circumstances should medication be sent to school by way of the student.

Medications, both prescription and over-the-counter, must be in the original labeled container. Under no circumstances should a student bring a "controlled" medication to school. The parent should bring prescription medications to the school clinic where the nurse will count and record the medication on the back of the MAR. When a student needs more medication sent to the school, the nurse will send home a Parental Notice of Medication Refill form. IF medication is brought to school by a student, it should be taken to the school clinic upon arriving at school. All prescription and over-the-counter medicine must be kept in the school clinic unless approved by the principal.

Any student needing to carry an Epi-pen, inhaler, insulin or other type of medication on their person may do so only after completion of an authorization form by their physician. These forms are available in the school clinic. It is preferable that these types of medication be kept in the classroom at the Primary and Elementary school levels. Middle and High school students may carry them in their purse or backpack for use as needed.

The following medications may be available in the school clinic and may be given only with parental consent: Tylenol(Acetaminophen), Advil(Ibuprofen), Pepto-Bismol, Benadryl, Claritin, Tums or other antacids, anti-nausea liquid, cold and sinus meds and anti-diarrhea meds, Your child will bring home a Medical/Health Information Form the first day of school and should be completed and returned to school ASAP.

All clinic visits will be recorded in the medical log entries on Infinite Campus. Students will be given a copy of his/her "Medical Log Entry" he/she receives OTC medication during the school day or for any other reason that the nurse deems appropriate. If you have any questions, please do not hesitate to call.

Thanks,

## **SCHOOL BOARD POLICIES RELATIVE TO STUDENT BEHAVIOR AND SAFE SCHOOLS**

The Haralson County School Board establishes policies to govern the behavior of the Board, its employees and students. The Policy Manual is available for public review at the Board of Education Office and on the school system website (<http://www.haralson.k12.ga.us/>).

It is the purpose of the Haralson County Board of Education to operate the school system in a manner that will provide an orderly process of education and that will provide for the welfare and safety of all students, staff and visitors who attend our schools. Students are required to conduct themselves at all times in a manner that facilitates a learning environment for themselves and other students. These standards for behavior require students to respect each other and school district employees, to obey student behavior policies adopted by the Board and to obey student behavior rules established at each school in the district. Major offenses including, but not limited to, drug and weapon offenses can lead to schools being named as an Unsafe School according to provisions of State Board of Education Rule 160-4-8-.16.

Each school's primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school as a whole. Accordingly, students shall be governed by the policies, regulations and rules set forth in this Code of Conduct and Discipline Procedures. Student conduct is further governed by the rules contained in each school's Student Handbook.

The Code of Conduct is enforceable during the following times and places:

- On the way to school and on the way home from school, including at bus stops and on school buses or other vehicles provided for student transportation by the school system;
- At school or on school property at any time; and
- Off school grounds at any school or school-related activity, function or event and while traveling to and from such events.

In addition, students may be disciplined for any off-campus behavior which occurs enroute to or from school, or which could result in the student being criminally charged with a felony or its juvenile equivalent, and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.

State law requires a parent or guardian to sign a statement acknowledging receipt of the Code of Conduct. Questions about the Code should be addressed to the principal.

Parents and guardians are encouraged to review the Code with their children and to support its enforcement throughout the community.

### **AUTHORITY OF THE PRINCIPAL**

The Principal is the leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. Principals are granted authority to enforce this Code of Conduct; and in cases of disruptive, disorderly or dangerous conduct not covered in this Code, the Principal is authorized to undertake corrective measures which he or she believes to be in the best interest of the students and the school, provided such action does not violate law, or a school board policy or procedure.

### **TEACHER AUTHORITY**

Each teacher is authorized by law to remove from his or her class a student who repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of other students to learn, provided the student's behavior is in violation of the student code of conduct and the teacher has previously filed a report with the principal; or if the teacher determines that such behavior poses an immediate threat to the safety of that student or to some other person. The superintendent and principal fully support the authority of every teacher to remove a student from the classroom under the conditions and procedures outlined in Georgia law (O.C.G.A. 20-2-738).

### **PARENTAL INVOLVEMENT**

This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communication through personal contact is extremely valuable. Therefore, each school's administrative staff will provide information to parents and guardians about on-going opportunities to communicate with school personnel.

Parents, guardians and students are invited to participate in the Code of Conduct revision process by making suggestions for improving the Code through the School Governance Team (SGT). Questions about the Code should be addressed with the principal or an assistant principal.

The Code of Conduct specifies within its standards of behavior various violations that may result in a school staff member's request for a parent or guardian to come to the school for a conference. Parents and guardians are encouraged to visit the schools regularly and are expected to be actively involved in the behavior support processes that are designed to promote positive choices and behavior.

Georgia law mandates that any time a teacher or principal identifies a student as a chronic disciplinary problem student, the principal or designee shall notify by telephone call and by mail to the student's parent or guardian of the disciplinary problem; invite the parent or guardian to observe the student in a classroom situation; and request at least one parent or guardian to attend a conference to devise a disciplinary and behavioral correction plan.

Georgia law also states that before any chronic disciplinary problem student is permitted to return to school following a suspension or expulsion, the school shall request by telephone call and by mail at least one parent or guardian to schedule and attend a conference for the purpose of devising a disciplinary and behavioral correction plan.

The law authorizes the board of education to petition the juvenile court to require a parent or guardian to attend a school conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend a conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference; order the parent or guardian to participate in such programs or such treatment as the court deems appropriate to improve the student's behavior; or both. After notice and opportunity for hearing, the court may impose a fine not to exceed \$500.00 on a parent or guardian who willfully disobeys an order of the court under this law.

## **CONFIDENTIAL AND ANONYMOUS REPORTING**

**Safe Schools Alert:** Students are encouraged to report information about weapons, drugs, threats of violence or other dangerous or harmful situations to the principal, an assistant principal, a teacher or another trusted adult. Anonymous TIPS can also be reported to the Haralson County Schools by one of four ways.

## **POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORT (PBIS)**

PBIS has a few important principles:

- Every child can learn proper behavior.
- Stepping in early can prevent more serious behavior problems.
- Each child is different and we work to provide many kinds of behavior support.
- We teach about behaviors based on research and science.
- We follow a child's behavioral progress because it is important.
- We gather and use data to make decisions about behavior problems.

If a student chooses to not display appropriate and positive behaviors, to the extent appropriate to the situation, school administrators and teachers will follow a progressive discipline process. The degree of discipline to be imposed by each school official should be in proportion to the severity of the behavior, while taking into account the totality of the situation, including the student's age, discipline history, and other relevant factors.

The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by consequences. Disciplinary actions are designed to maintain an appropriate learning environment, encourage self-discipline, and to help students substitute behaviors that are consistent with the character traits from Georgia's BEST Curriculum for their inappropriate behaviors.

- The following range of disciplinary actions may be imposed for violations of this Code of Conduct:
- Warning and/or Counseling with a School Administrator or Counselor
- Loss of Privileges
- Time Out
- Temporary or Permanent Removal from Class, Activity, Event, or Recess
- Notification of Parent or Guardian
- Parent or Guardian Conference
- Detention
- Saturday School
- Suspension or Expulsion from the School Bus

- Temporary placement in an Alternative Education Program
- Short-Term Suspension-(Ten days or less)
- Referral to a Tribunal for Long-Term Suspension or Expulsion-(More than ten days)
- Referral to Law Enforcement, District Attorney or Juvenile Court Officials. Georgia law mandates that certain acts of misconduct be referred to law enforcement, the district attorney, or other public officials. School officials may also report other acts of misconduct as deemed appropriate.

The maximum punishment that can be imposed by a disciplinary tribunal is permanent expulsion from the school system.

In the event of a disciplinary tribunal hearing, a parent, guardian, or student may choose not to contest whether the student has violated the Code of Conduct or the appropriate discipline, and in such cases, an agreement may be negotiated which would include the parent, guardian, or student waiving a right to a hearing before a disciplinary tribunal. Such an agreement and waiver must be approved by local school administration in accordance with local board policy.

Before a student is suspended ten days or less, the principal or designee will inform the student of the offense for which the student is charged and allow the student to explain his or her behavior. If the student is suspended, the student's parent or guardian will be notified if possible. School officials may involve law enforcement officials when evidence indicates that a law may have been violated or when there is a legal requirement to report the incident.

If there is reason to believe that a student is in possession of an item that violates the law or school rules, school officials may search that student and his/her personal property. Student vehicles brought on campus, student book bags, school lockers, school desks, and other school or personal property are subject to inspection and search by school authorities at any time and without further notice to students, parents or guardians. Given those conditions, students are required to cooperate if asked to open book bags, lockers, or any vehicle brought on campus. In addition, school administrators are further authorized to use metal detectors and drug or weapon sniffing dogs at school or at any school function or event.

Such false reporting may be punishable by law and is punishable by this Code of Conduct. See Rule 5.

If the tribunal chooses to adopt the agreement as its decision, the decision will be final and cannot be appealed by the school or the family. Dear Parent/Guardian:

Due to the potential hazards encountered while transporting students, we strive to provide an atmosphere of appropriate behavior conducive to passenger safety. No student shall interfere with the safe operation of the school bus. Maintaining order on the bus is the joint responsibility of students, parents, bus drivers, and school officials. Riding the bus is a privilege, which may be revoked for improper conduct. It is my duty as a school official to report your child's unsafe behavior and request that corrective action be taken. Please review the school bus rules listed on the back. If any bus rules are ignored, there is a 5 Step Behavior Correction procedure that will be followed and documented for minor violations. Major violations will go directly to the school for consequences.

The 5 Step Behavior Correction Program goes as follows:

- 1<sup>st</sup> Offense – Driver will speak to the student privately
- 2<sup>nd</sup> Offense – The student's seat will be reassigned
- 3<sup>rd</sup> Offense – A letter will be sent home to the parent/guardian
- 4<sup>th</sup> Offense – Parent/Guardian will be called
- 5<sup>th</sup> Offense – 5 Step Behavior Correction form submitted to the school's administrator for 1 week bus suspension

If unsafe behavior continues once the student has returned to the bus, the 5 Steps will be followed for a 2<sup>nd</sup> time with a 2 week suspension. If unsafe behavior continues, the 5 Steps will be followed for a 3<sup>rd</sup> time and the student will lose their bus privileges for the remainder of the school year.

We ask that you and your child review the bus rules and the 5 Step Behavior Correction procedures. We appreciate your cooperation and thank you for supporting our drivers. If you have any questions please call the transportation department at 770-646-5532.

Respectfully,  
John Daniel  
Transportation Director

The West Georgia Regional Library System is partnering with Haralson County Schools to introduce the PLAY Card to our students. The PLAY (PINES Library Access for Youth) Card is a digital library card that offers Haralson County Schools' students free access to public library materials and online resources to support their educational success. PINES (Public Information Network for Electronic Services) is the statewide network of public library systems serving 300 public libraries across the state of Georgia.

**How Does It Work?**

Students will use their student ID number to access their PLAY Card account just like they would use a library card. The PLAY Card is free and access to public library resources and services are free. There are no overdue fines for materials checked out through a student's PLAY Card. Fees apply only for lost or damaged materials. If your student already has a library card, the student may use both the PLAY account and their original library card. The PLAY account will be an entirely separate account.

**What Are the Benefits?**

Students with a digital PLAY Card can check out up to 5 physical items at a time, including books, DVDs, CDs, free passes to state parks, and more. The PLAY Card will also give your student free access to digital resources such as e-books through Cloud Library and eRead Kids, language learning through Mango Languages, practice tests for SAT, ACT, nursing entrance exams, and more.

**What If I Don't Want to Participate?**

If you would prefer your student not to have a PLAY Card, you may opt out of this program by signing below and returning to your student's school. You can opt out at any time by notifying your student's school.

**Please return to your student's school by August 12, 2022**

# Haralson County Schools - Nutrition Allergy Form

## In Cases of Food Allergy-

Generally, children with food allergies or intolerances do not have a disability as defined under either Section of the Rehabilitation Act or Part B of IDEA, and the school food service may, but is not required to, make food substitutions for them. However, with a **licensed physician's assessment**, food allergies may result in severe, **life-threatening (anaphylactic) reactions**, the child's condition would meet the definition of "disability," and the substitutions prescribed by the licensed physician must be made.
